DESCRIPTION

Fusaro has a slender 5" height and soft curves, designed to modernize and perfectly fit kitchens where space is premium. A 2-speed, 190 CFM internal blower provides sufficient ventilating power for most kitchens. Color-coordinated rocker switches control blower speeds and 75W incandescent lightning. The anodized aluminum mesh grease filter is dishwasher-safe and simple to remove and re-install. Fusaro is designed for standard ducted or recirculating installations.
