DESCRIPTION

Potenza combines curved glass and stainless steel to create a light and airy environment, which is perfect for any contemporary kitchen. The flowing designs of 30" or 36" widths come with a powerful 400 CFM blower that can support the cooking demands of most kitchens. Stainless steel look, multiple backlight color touch controls illuminate in elegant white, green, blue, or red, and manage multiple functions including LED lighting and 4-speed blower. Multiple clicking sound options are also available.

Potenza also features a telescopic chimney for up to 8'5" ceilings. Designed for standard ducted installation, Potenza can also be installed as a recirculating system using the kit available as an accessory.
